

POOF!®

Fog in a Can

Perfect for Halloween

- Shockingly Safe!
- Eerily Odorless!
- Chillingly Lasting!

A great, economical alternative to haze, steam, and fog machines! Perfect for adding eerie effects and lengthening light beams. POOF! is completely safe to use. The can comes with a push button top for horizontal spray (trigger handles available) or a snap-down top for a hands free vertical spray that's continuous (you can snap the top up for later use). Each 30-second spray will last about 30 minutes. Fill a room up to 15 times with one can! Safe, non-toxic, non-irritating, odorless, ozone safe, no cfc's, meets EPA standards, ships ground (or air with 12 can minimum).

Distributed By:

1. APPEAR outside the door in a POOF! (Spray 10 seconds at ground in front of you before door opens.)
