The Little Blizzard™ Snow Machine

**VOTED BEST SNOW MACHINE IN THE
ENTERTAINMENT INDUSTRY
LDI BOOTH 116**

Voted Best Snow Machine in the Entertainment Industry for its durability and production of realistic, dry, fluffy snowflakes. The XT has higher output than the original LB, producing 20% more snow from the same amount of fluid. The XT/SP version is also quieter than the original SP version. The variable speed has greater range than ever before. Think durable. Think long lasting. Made in USA

THE QUIET CUBE™ SNOW MACHINE LDI BOOTH 116

CITC's newer Quiet Cube snow machine uses brand new technology to make the quietest snow machine

on the market. A full 10 db's quieter than the Little Blizzard snow machine, no one's been able to come close to the whisper quiet production from the Quiet Cube. Made in the USA
