

# AQUA MAX™

The award-winning AquaMax™ haze machine is now more powerful than ever with a 2-channel DMX control for fan speed and haze output. CITC has created a unique technology that will allow for long-lasting, water-based, 100% certified organic haze without the residue associated with oil-based hazers. The AquaMax has built in fans to help spread the healthiest haze on earth, while remaining extremely conservative on fluid usage.

## FEATURES:

- 2 Channel DMX
- Variable fan speed on DMX
- Actor's Equity allowed
- Long lasting 1-2+ hour hang time
- Delivers 100% Organic haze
- Low fluid consumption (4 oz. per hour)
- Digital display
- Residue free (smallest particles to date)
- Adjustable Fans (2) & Cycle Timer (30m)
- Made in the USA

**1 YEAR WARRANTY**  
When using CITC Water  
Organic Haze #150580

## AQUA MAX™ SPECS

120VAC #100059 (100vac available)  
230VAC #100060

- **Dimensions:** 21" x 13" x 12"  
(53 cm x 33 cm x 30 cm)
- **Weight:** 36 lbs. (16 kg)
- **Ship Weight:** 42 lbs. (19 kg)
- **Ship Dimensions:** 25" x 17" x 17"  
(64 cm X 43 cm X 43 cm)
