

# BUBBLE MAX X2™

The Bubble Max X2™ System creates incredible amounts of large and small bubbles at a conservative price. Choose both wands for maximum output, or turn one off to conserve fluid. Extremely simple to use with no set-up required!

## FEATURES:

- Choose one or two wands
- Professional grade bubbles™
- Auto-fill™ option available for continuous run time
- Anti-leak tank for overhead use
- Anti-overfill drain
- Stand and fan included on Bubble Max System

**1 YEAR WARRANTY**

*When using CITC brand Bubble Fluids*
