

CLAMPS & CABLES

Use our clamps and safety cables to safely hang fans, effects equipment or other fixtures from round tube or rectangular trussing. Our Custom Cheesborough Clamp and C-Clamp with Baby Spud are designed to support your Hurricane II Fan or other equipment using a 5/8" spud. Add our 500-pound rated C-Clamp and lightweight Double C-Clamp with safety cable, and you have options for hanging almost anything!
